

# Aaron H. Kaneti

aaronkaneti@gmail.com, aaronkaneti.com, +1 (347) 882-9547

Location: Brooklyn, New York

## EDUCATION

Northwestern University, Evanston, IL

Bachelor of Science in Computer Science and Psychology

(September 2016 – June 2020)

## SKILLS

Frameworks: React.js, React Native, Node.js, Firebase, Auth0

Programming Languages and Tools: Java, Python, JavaScript, SQL, HTML5 & CSS3,

Wordpress, XCode, C, C++, C#, Unity

Languages: English, Spanish, Italian, Hebrew, Turkish

## RELEVANT EXPERIENCES

**Elta 360, Istanbul, Turkey**

**React.js, Firebase, Node.js**

Front-End Engineer

(Oct 2020 - Ongoing)

- Developed and documented the website routing infrastructure for the Elta 360 platform.
- Revamped the account registration process to utilize reusable, responsive components.
- Rebranded the grid & list based homepage with the use of custom, intricate grid elements.

**Anodot, Tel Aviv, Israel**

**React.js, R**

Data Scientist and Software Engineering Intern

(June 2019 – August 2019)

- Created a Web App which helped interpret anomaly data by creating interactive graphs, which was used by sales engineers to help onboard new customers to the product.
- Conducted meetings with the sales engineers and customers to understand and enhance the user experience.

**Hearo, Istanbul, Turkey**

**React Native, Auth0, Firebase, Xcode**

Founding Member and Developer

(Feb 2018 – Sep 2018)

- Co-Founded an application to easily transcribe and forward voice messages.
- Handled user interface development and user experience development including the homepage.
- Deployed the application on iOS.

**Inveon, Istanbul, Turkey**

**React.js, React Native, Google Firebase Analytics**

Front End Developer Intern

(Jun 2017 – Aug 2017)

- Conducted software quality control by writing tests for the deployment of applications.
- Deployed Google Firebase Analytics as well as fixing responsivity bugs.
- Managed customer support relations with existing apps within the App Store such as Momento and Yaris Ati.

## PROJECTS

**Tadah | To-do Listing and Sharing Application**

**React.js, React Native**

- A web based application for day to day sharable task management utilities.

**Portfolio Website**

**React.js**

- Implemented a mobile-friendly portfolio website with a dark-mode switch.

## LEADERSHIP POSITIONS

**Northwestern University**

Evanston, IL

Peer Mentor

(2017 - 2020)

- Supervised the classes Fundamentals of Computer Programming I and II, Introduction to Artificial Intelligence and Human Computer Interaction as a Teaching Assistant.
- Responsibilities included creating and grading both homework and exam questions.

**IEEE Northwestern**

Evanston, IL

President and Project Manager

(2017- 2020)

- Organized and managed social events for the Electrical Engineering and Computer Science community in Northwestern.
- Lead the organization for a whole year. During the year several events were held including a project showcase, where the best computer science students displayed projects they created throughout the year.
